DRUG AWARENESS

D&Wp Drug Box Version 5.2

D&Wp's recent research has highlighted changes in trends relating to Heroin, Cannabis and Solvents which are featured in the D&Wp Drug Box 5.1.

An increase in the abuse of Fentanyl (Synthetic Heroin, 50 x stronger than regular Heroin), the introduction of THC Edible Jellies as an alternative to smoking herbal cannabis or cannabis resin and an increase in the use of Nitrous Oxide (N.O.S. - laughing gas) in connection to solvent abuse prompted D&Wp to release the D&Wp Drug Box Version 5.2 which includes these updates.
